

2019 District 8 AALAS - Preliminary Meeting Agenda

Wednesday, April 24	
Workshops	
1:30-3:00pm:	Chin Bleeds: the Newest Mouse Bleeding Technique Presenter: Erika French (UW) 1:30-3:00pm (1:00-3:30pm with transportation)
3:00-5:00pm:	Tour of the University of Washington and the National Primate Research Center: Focus on Environmental Enrichment Presenter: TBD 3:00-5:00pm (2:30-5:30pm with transportation)
5:00-6:00pm:	Networking
6:00-9:00pm	Welcome Reception

Thursday, April 25				
	Breakout Sessions	Veterinary & Scientific Track	Management & Technical Track	Workshops
7:00-8:00am (1 hour):	Breakfast (Sponsored by DRE Scientific)			
8:00-8:20am (20 mins):		Welcome/Opening Session		
8:20-9:10am (50 mins):		Global Partnerships in Field Training & Outreach Education: Promoting Human-Primate Coexistence <i>Randall C. Kyes, PhD</i>	AALAS: The Journey <i>Ann Turner, PhD, FASAE, CAE</i>	
9:10-10:00am (50 mins):		2-P Imaging <i>Cyrus Ghajar</i>	Promoting the Public's Trust in Biomedical Research <i>Ken Gordon, Bachelor of Social Science, Grad. Diploma in Business Studies, Post Grad. Diploma in Public Policy</i>	
10:00-10:20am (20 mins):	Morning Break (Sponsored by Animal Specialties)			
10:20-11:00am (40 mins):	Vendor Fair			
11:00am-12:00pm (1 hour):	*Keynote* Resiliency: A concept abruptly learned after Hurricane Maria <i>Melween Martinez, DVM</i>			
12:00-1:00pm (1 hour):	Lunch (Sponsored by ___)			
1:00-1:50pm (50 mins):		DeepSqueak: Machine Learning Methods for Clustering Ultrasonic Vocalizations <i>Kevin R. Coffey, PhD</i>	The Power of Negotiation <i>Tracy Gluckman, MS, DVM, DACLAM</i>	
1:50-2:40pm (50 mins):		A Tricky "Tail" of Pet Store Mice Used in Research <i>Andrew Burich, DVM, MS, DACLAM, CPIA</i>	Roadmap to Your Future-How to Get There from Here <i>Tracy Parker, BS, MBA, CMAR, CPIA, PMP</i>	Positive Reinforcement in the Research Environment – Tools of the Trade Presenters: Kelly Morrisroe (UW) & Lisa Houser (ONPRC) 2:00-5:00pm
2:40-3:20pm (40 mins):	Poster Session (Sponsored by Lab Products, Inc.)			
3:20-4:10pm (50 mins):	D8 Council Meeting (Invite Only)	Things that make you go Hmmm... <i>Christine Tafoya, Safety Officer, CBSP, SM (NRCM)</i>	When Things Go Wrong: Causes, Cures, and Prevention <i>Sally Thompson-Iritani, DVM/PhD, CPIA, CCFP, CHABP & Kamm Prongay, DVM, MCR, DABVP</i>	
4:10-5:00pm (50 mins):		Personal Story <i>Melween Martinez, DVM</i>	Compassion Fatigue <i>Preston Van Hooser</i>	

Friday, April 26			
	Veterinary & Scientific Track	Management & Technical Track	Workshops
7:00-8:00am (1 hour):	Breakfast (Sponsored by Allentown, Inc.)		
8:00-8:50am (50 mins):	Tapping into billions of years of Nature's drug discovery to create new therapeutics (tumor paint) <i>Jim Olson, MD, PhD</i>	Mad Libs for staff who work with animals in research: Filling in the blanks for friends and acquaintances about what you do and the animals you love <i>Heather Sidener, DVM, DACLAM & Thomas Briner, BA, CMAR, LATG</i>	Rodent Water: Methods, Issues, and Troubleshooting Presenter: Nicholas L. Reyes (UW) 8:30-10:30am
8:50-9:40am (50 mins):	What's your diagnosis? Practical Pathology of Mice and Rats <i>Jessica Snyder, DVM, MS, Diplomate ACVP</i>	AAALAC International's Horizon <i>Helen Diggs, MEd, DVM, DACLAM</i>	
9:40-10:00am (20 mins):	Morning Break (Sponsored by ___)		
10:00-10:40am (40 mins):	Vendor Fair		
10:40-11:30am (50 mins):	Optimization of Neurosurgical Training Improves Quality in Mice and Maintains Reproducibility for Large-Scale Research <i>The Allen Institute, Neurosurgery and Behavior Team: Robert Howard, Jennifer Luviano, Kat North, & Andy Cho</i>	Zoo Enrichment <i>Patrick Owen</i>	
11:30am-12:00pm (30 mins):	Awards: Ron Orta / Poster / Fun Fair / Raffles		
12:00-1:00pm (1 hour):	Lunch (Sponsored by ___)		
1:00-2:00pm (1 hour):	Platform Presentations (4 x 15 min talks)	Platform Presentations (4 x 15 min talks)	How to Respond to IACUC Inspections: A Facility Perspective Presenter: Jamie Kenfield (UW) 1:00-3:00pm
2:00-2:50pm (50 mins):	"Can I See a Dessert Menu?" The Brain Biology of Sweet Reward <i>Dianne Figlewicz Lattemann, BS, MS, PhD, Grad. Cert. in Public Health</i>	Stress Management <i>Caroline Thompson</i>	
2:50-3:40pm (50 mins):	Clicker Training Minipigs: Using Positive Reinforcement to Shape Behavior <i>Jamie Lovaglio, DVM, DACLAM</i>	The California Mouse (<i>Peromyscus californicus</i>): A Laboratory Mouse Model for Gender Equality <i>Janet Bester-Meredith, PhD</i>	
3:40-4:00pm (20 mins):	Closing Session
